

# Electronic column scales

## Electronic column weighing scale

ADE M320000-01 

The perfect choice in all medical fields. Heavy duty electronic column scale with an extra wide, flat and slip resistant platform. The transport castors ensure easy movability. The BMI, hold and mother-child functions provide fast and clear results of the patients' nutritional condition. The turnable display allows easy reading from patient and user side. The scale operates by mains and batteries, included as standard. The scale setup is fast and easy: supplied in just two parts and assembled by one set of special screws.

**Functions:** Automatic zero setting, tare, hold function, auto hold function, reweigh function, BMI function, mother & child weighing function, turning display, low battery indication, auto switch off

Power supply:

Mains and alkaline batteries (4 x AA)
