

Product Specification

Product model	CMPVC12
Storage capacity	12L
Unit Dimensions W*D*H(mm)	420*290*290
Voltage	12V DC / 230V AC
Material	PP+ABS Material
Colour	Grey
System	Wear-free thermoelectric technology with interior semiconductor fan
Temperature display	Digital temperature display, rotary switches
Shelf or Baskets	1 pcs Basket
Quality features	Double cooling system, super cooling function, portable
Packing Dimensions W*D*H(mm)	460*330*335
N.W./G.W.	5.6KGS/6.5KGS
Standard Accessories	Includes both a 12V DC auto socket cord, 140cm long and a 110-240V AC domestic power cord 140cm long. Shoulder strap.
